Dear Mr Astore

We've made a decision about a death benefit

Member name: Madeline Dell
Member number: 714269748

Thanks for your patience while we processed your application. We've considered all the information available to us and have made a decision about how we'll distribute the payment.

We plan to make the payment as shown.

Name	Relationship to the member	Proportion
Miro Astore	De facto	100%

We've sent this same information to all potential beneficiaries.

How much will the payment be?

The payment is made up of the member's super account balance plus their insured benefit. This means that subject to confirmation that an insured benefit is payable under the terms and conditions of AustralianSuper's insurance policy, the payment will be approximately:

- \$13,896.98 (their super balance), plus
- \$178,000.00 (their insured benefit).

This is only an estimate. The amount of money in the super account could change if there are investment earnings to be added or any admin fees or tax to be deducted. Investment returns can also sometimes be negative which may cause the member's account balance to reduce between the date of death and the date of payment.

The super account balance remains invested in the member's most recent investment choice.

We've invested the insured benefit in a low risk investment option.

Next steps

If you agree with the way we've decided to distribute the funds, please sign the acknowledgment document at the end of this letter and return it to us.

If we don't receive any objections about our decision, we'll pay the benefit as set out above.

We can make payment as soon as we receive signed acknowledgments from all the potential beneficiaries.

Payment via Electronic Funds Transfer (EFT) is the fastest way for us to transfer funds to you. If you wish to have the payment made into your bank account, please complete the enclosed EFT Payment Details form and return it to us..

If we don't receive an EFT Payment Details form from you, we'll post you a cheque.

What can you do if you don't agree with our decision?

If you don't agree with our decision, under super legislation you have 28 days from the date you received this letter to lodge an objection. You must put your objection in writing and include any information or documents that will support your claim.

We'll reconsider our decision based on the information you send us. We may need to obtain extra information from the other interested parties. We'll write to you again to let you know the outcome.

Where do you send the information?

If you agree with the above decision, the most efficient way to send back your documents is via email to claims@australiansuper.com (this includes certified documents).

Alternatively you can mail it to:
